St Asaph City Council

City Plan Working Group

Thursday 18th November 2021 at 10.30 am, with remote attendance via Zoom.

Present: Cllrs Scott, Gedd, Groves, Roberts and Rust.

2021/CP12 Apologies:

Apologies were received from Cllrs Thomas and Townsend.

2021/CP13 Declarations of Interest:

- None.

2021/CP14 iBeacons Project

There was a discussion surrounding the iBeacons Project.
Resolved the Clerk should put the link to the North-east Wales Trails on the City Council Website.

2021/CP15 Place Plan

The working group discussed the results of the surveys completed by the group and also the community. The key points were:

- The High Street is on a medieval site. The roads and pavements are narrow and it is difficult to adapt this to modern life;
- Three shops had closed in the last few weeks. There are no banks and St Asaph is not seen as a place to stop;
- Community, the people and open spaces were the three aspects of life in St Asaph, which residents valued;
- Parking on the High Street does slow the through traffic. If parking were prohibited the speed of traffic would be much greater.

2021/CP16 Next Steps

Resolved that the Clerk and Cllr Rust are to meet with representatives of the Community Hub to arrange:

I. **Meet and greet sessions with councillors at the Community Hub to meet with residents and ask for their ideas for St Asaph;**
II. **Farmers Markets at the Community hub, starting in Spring/Summer 2022.**

Resolved the Clerk should write to the Community Development Officer, Business Development and Tourism Officers to invite them to attend a City Plan meeting.
The City Times is the preferred method of communicating progress to residents.

Meeting Closed at 11.55 am.
