a)

Recently I went on holiday with ********** on a trip across Britain to see parts of the country I hadn't yet had the privilege of visiting. During this trip, I had the fortune of visiting St. Asaph for the first time, and I was immediately charmed by its unique beauty and character, especially the lovely pubs and cafés.
I realise this may be an unconventional request, but I am writing to inquire whether it would be possible to be granted the honorary Key to the city of St. Asaph. As an admirer of your wonderful city, I would be deeply honoured to hold such a symbol. I promise to cherish, protect, and respect it as it deserves.
I would be more than happy to return to Wales to personally collect the key and experience its charm once again.
Thank you for considering my request. I look forward to your response.
